4. The school may authorise none, all or only part of the Withdrawal from Learning requested.
5. If absence/withdrawal from learning is granted and my/ our child does not return to the school within the time allowed, the school may, in consultation with the local authority, remove him/ her from the register. This would necessitate me/ us applying for our child to be readmitted to a school.

Notes re Absence during term time in exceptional circumstances

Schools are only permitted to authorise absence during term time in exceptional circumstances, these circumstances are not defined in law but the following may be considered:

- Religious observance
- Educated off-site
- Attending interview (e.g. change of school, etc.)
- Medical or emergency dental appointment
- Approved sporting activity
- Weddings - where the date set is not within your control
- Funeral
- Family holiday only where the parent/carer's employer has written to the school to explain that the holiday/leave cannot be taken at any other time of the year.

As a consequence of the new regulations the school will not authorise an absence for a family holiday other than as described above. Please note that this also includes days before the end of term/half-term to start a holiday or 'over-run' days at the start of a new term/half-term.

Every application for absence will be assessed individually and consideration will include the child's overall attendance record. For attendance at a wedding or funeral consideration will be given to **reasonable** travelling time/arrangements to attend (depending on the location) in addition to the day of the event. All requests for absence must be submitted a minimum of two weeks before the absence is required except in an emergency. If the absence is not authorised and your child is not in school on the days for which absence was requested you may be liable to a fine or prosecution.
