

Years 1 & 2 Boys & Girls

On Wednesday January 16th the school sports partnership came together to participate in a multi skills event aimed at giving the children the opportunity to try out a variety of different activities. There were 12 stations in total and included the development of skills on balance, speed, ball to eye co-ordination, agility and most of all fun! Well done to all the children who took part, they all represented their schools extremely well with each receiving a very well deserved certificate.
