

**St Michael's CE Primary School
Sydenham**

Attendance Policy

Agreed by the Governing Body on: *23 November 2015*

Signed (Chair): *Beryl Fielder*

Review Date: *November 2018*

Attendance Policy

This policy reflects the vision and aims of St. Michael's CE Primary School by:

- Encouraging staff, parents/carers and children to maximise the learning experience in order for every child to flourish in their potential as a child of God.
- Providing clear procedures for involving parents/carers relating to school attendance.

Principles

Consistent daily, punctual and full-time attendance is of paramount importance in ensuring that all children have full access to the curriculum. Valuable learning time is lost when children are absent, late or removed from school before the end of the school day.

We are passionate in our belief that lateness is unsettling for a child and disruptive for the class. Children who are unavoidably late must be taken to the office to give the reason for lateness, get a registration mark and be marked in for a dinner.

Children should be at school, on time, every day the school is open, unless the reason for the absence is unavoidable. Parents have a legal responsibility to ensure that their child is in school and therefore permitting absence from school without a good reason is an offence by the parent/carer.

Children are sometimes reluctant to attend school, it is never better to cover up their absence or to give in to pressure to excuse them from attending. This gives them the impression that attendance does not matter and may make things worse.

Every half-day absence has to be classified by the school (not by the parents) as either 'Authorised' or 'Unauthorised'. This is why information about the cause of each absence is always required, preferably in writing.

Authorised absences are mornings or afternoons away from school for a reason such as genuine illness or other unavoidable cause.

Unauthorised absences are those which the school does not consider reasonable and/or for which no approved leave has been given. Unauthorised absence and persistent lateness is reported to the Local Authority's Attendance and Welfare Officer.

These include but are not limited to:

- Parents keeping children off school unnecessarily.
- Truancy before or during the school day.
- Absences which have never been properly explained.
- Children who arrive at school late.
- Children who are frequently collected from school before the end of the school day.

The law was amended in September 2013 and schools are not permitted to approve any leave of absence during term time unless there are exceptional circumstances. The exceptional circumstances are not defined in law but the following may be considered:

- Religious observance
- Educated off-site
- Attending interview (e.g. change of school, etc.)
- Medical or emergency dental appointment

- Approved sporting activity
- Weddings of immediate family - where the date set is not within your control
- Funerals of immediate family
- Family holiday only where the parent/carer's employer has written to the school to explain that the holiday/leave cannot be taken at any other time of the year.

Every application for absence will be assessed individually. For attendance at a wedding or funeral consideration will be given to reasonable travelling time/arrangements to attend (depending on the location) in addition to the day of the event. The school does not expect to receive requests for attendance at family weddings or funerals that occur immediately before or after a school holiday period. The school may request to see documentary evidence to confirm/verify any requested absence. All requests for absence must be submitted a minimum of two weeks before the absence is required except in an emergency. If the absence is not authorised and the child is not in school on the days for which absence was requested the parent(s) may be liable to a fine or prosecution. The regulations regarding the issue of Fixed Penalty Notices (fines) in relation to unauthorised absences have also been amended by the same legislation. Under the amended regulations the amount of the **Fixed Penalty Notice will be £60 if paid within 21 days and £120 if paid within 28 days.**

Parents are requested to inform the school if the child has an infectious disease confirmed. Some diseases are notifiable and the school must report them to the Health Protection Agency. The school will also inform other parents so that they can check for similar symptoms. After a stomach upset (diarrhoea) or vomiting, children should be kept at home for 24 hours to avoid a recurrence at school and possibly infecting other children. If a child has head lice the school should be advised and the child treated but as treatment is normally applied in the evening, the child should not be absent from school.

Parents are expected to contact the school at an early stage and to work with staff (such as the Head, Inclusion Manager, Admin Manager) in resolving any attendance problems together. If difficulties cannot be sorted out in this way the school may refer the child to the AWO (Attendance & Welfare Officer) from the LA (Local Authority). The AWO will also try to resolve the situation by agreement but if other ways of trying to improve the child's attendance have failed these officers can use court proceedings to prosecute parents or to seek an Education Supervision Order on the child.

Procedure

- Parents/Carers need to make contact with the school office by 9.30 am on the first day of the child's absence with a reason for absence
- The telephone call must then be followed up by a letter or email explaining your child's absence when they return to school.
- We consider absences to be authorised if the child is sick, however, absences for reasons such as birthdays, shopping trips or holidays will be recorded as unauthorised.
- If the child has a medical appointment, the school must be provided with a copy of the appointment card/letter for school records.
- If the child arrives after the beginning of the school day or the afternoon session s/he will be registered with a late mark.
- If no reason has been given for an absence, the school will make contact with the parent to establish the reason for the child's absence.
- The school produces a regular attendance report which identifies irregular attendance or persistent absence, lateness and holidays taken. These are shared with the AWO and the Attendance Team at the LA.
- Attendance is monitored to ensure that there are no safeguarding concerns. Particular attention is therefore given to the attendance of children who are considered to be vulnerable or potentially vulnerable or disadvantaged.
- If a child is absent for more than 20 days consecutively without authorisation the child's name may be removed from the register and their place offered to another child.

Action Plan

The school will take the following action to promote good attendance and minimise lateness:

- Telephone/text parents/carers if a child is not present in school by 9.00am (or as soon as possible after 9.00 am).
- Record and monitor reasons for lateness in the late attendance register and speak to parents if lateness is a persistent problem.
- Record and monitor details of children removed from school early or during the school day in conjunction with the stated reasons.
- Monitor the lateness, attendance and intra-day/early leaving registers at frequent regular intervals and take further relevant action for children who persistently appear in the records.
- Pay particular attention to the attendance or lateness of vulnerable children and disadvantaged children.

Attendance/Lateness Targets

The school has an attendance cup which is given to the class with the best punctuality and attendance. This helps to reinforce to the children the importance of regular attendance at school.

The LA sets acceptable targets for attendance and the school is called to account by the LA if these are not met.

The people responsible for managing attendance at St. Michael's are:

- Ms A Kemp (Admin Manager)
- Ms R Gouws (Headteacher)
- Ms Asante (Inclusion Manager)

Summary

The school has a legal duty to publish its absence figures to parents and to promote attendance, equally, parents have a duty to make sure that their children attend school. The staff are all committed to working with parents to ensure a high level of attendance.
